LIVING

## COMPANY HISTORY

Started with passion Barnaby Living under PT. Salim Kusuma Kreasi was established in October 2004 in Jakarta. Barnaby Living always provide innovative and comprehensive services for interior design, building projects, including commercial offices, shops, restaurants, residential, etc

This is achieved by our experienced teams, professional, energetic designer and skilful workers to implement the whole concept of interior design ideas and build it perfectly to customer satisfaction

More importantly, in order to fulfil specific requirements of our client, we have strict control over our design, quality, time management and construction cost

It is our goals to offer you best balance between aesthetic, efficiency, and budget effectiveness.

{ Quality is  
Our Concern }
